Z-Wave® retrofit smart lock for professional installers.

Homeowners will be able to lock and unlock their door, give keyless entry to family and friends and monitor who comes and goes— all from their iOS or Android phones.

The Z-Wave Plus lock is truly easy to install. It takes less than 10 minutes and requires only a screwdriver. Best of all, since it attaches the existing deadbolt, customers can continue to use their existing keys.

Offer valid February 12th through March 16th, 2018

All orders must be invoiced by E.O.B. March 16, 2018. Cannot be combined with any other offer. No back orders will be honoured. Offer is subject to change without notice. Discount is reflected in current AVAD pricing.
